Happy Halloween!

## Dear Families

We are all very excited about the year getting off to a great start! The children have settled in nicely and the fun and learning have begun. With the days becoming cooler and the leaves changing colour, this new month the children will be learning heaps! Weather, Harvest, Fall, Thanksgiving, as well as our favourite holiday, Halloween!

## Three Year Old Program

The children will begin this month talking all about “Fall,” what it is and what our city will look like when the cool air blows. They will also be focusing on the things they are thankful for. I know how we all have a lot to be thankful for. We will be singing songs and talking all about Fall, Thanksgiving and Halloween. Our special colour this month will be “Orange”, on October 20th please dress your child in Orange.

On the 27th we will be having our Halloween party where your child can come to school dressed as their favourite character. We will also be filling treat bags; if you would like to send in something for your child’s class please do so on or before October 25th, and please remember we are “Nut Free”. With all the fun crafts and games we will be having a “frightfully” good time!

## Modified Four Year Old Program

This month the children will be focusing on “Harvest”, what it is and what kinds of food we harvest, as well as Thanksgiving, and of course Halloween. The letters the children will be working on are D, E and F. Our special colour this month will be “Orange”, on October 20th please dress your child in Orange. We will also be talking about what we are thankful for, and what Thanksgiving means to us. Closer to the end of the month we will be getting creative with Halloween.
