Dear Families

We hope you had a delightful Spring Break and enjoyed a wonderful holiday with plenty of Easter Bunny joy! With the school year winding down faster than we'd like, we're gearing up for a special event. This month, we'll be capturing graduation photos for all the children moving on to kindergarten next year. It's a touching moment to celebrate their growth and bid them farewell. They've truly left an imprint on our hearts and we will miss them very much!

Three Year Old Program

This month, our focus is on the fascinating world of bugs and gardens! Get ready for fun crafts featuring ladybugs, bees, and an exploration of the incredible transformation of a caterpillar into a beautiful butterfly. To add to the excitement, our colour day for April is "Blue," so mark April 4th on your calendar and dress your child in "Blue". As a special treat, Cobb's Adventure Park will be visiting the school

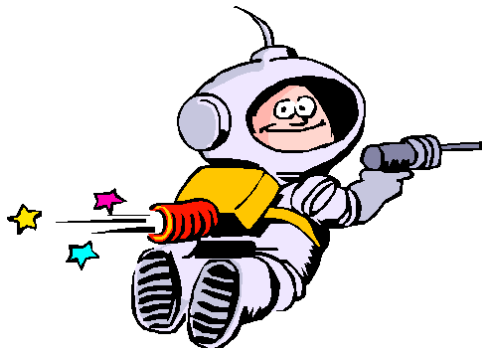

on April 30th, bringing along kangaroos and other exciting animals. What an extraordinary experience for our little ones! Please note, the school will be closed on April 1st for Easter.
