Dear Families

Hello and welcome to September! This is a very exciting time of year for both teachers and students! I hope you all had a great summer and are ready for a wonderful year of fun and learning! Just a little about the newsletter: It will be posted on the website at the beginning of every month. You will also receive a newsletter from me by email every month. If you have not received a newsletter via your email please let me know. Please remember to write down all of our special events! Happy September!

Three Year Old Program

This month our theme will be “All About Me”! This theme will allow us to get to know your children a little better, as well as let them get to know their new friends. We will be discussing the routines at school and at home. They will be learning about friendship and how to be a good friend. We also ask that you bring a picture of your family to school so your child may talk about them. Please

keep in mind we will want to keep this picture all year on our family tree. Our focus for the first month is to help the children settle comfortably into their new environment. We look forward to getting to know each child and their wonderful families.
