

APRIL 2026

Dear Families

April is here, and we can feel the excitement of Easter just around the corner-bunny ears, chocolate treats, and springtime fun are on the way! With the school year winding down faster than we'd like, we're gearing up for a special event. This month, we'll be capturing graduation photos for all the children moving on to kindergarten next year. It's a touching moment to celebrate their growth and bid them farewell. They've truly left an imprint on our hearts, and we will miss them!

Three-Year-Old Program

This month, we're diving into the enchanting world of bugs and gardens! Our little ones will engage in delightful crafts featuring ladybugs, bees, and the captivating transformation of caterpillars into butterflies. Don't forget to mark April 9th on your calendar for our colour day – it's **blue** day! Please encourage your child to come dressed in **blue** to join in the fun. We have an exciting event lined up for April 28th, when Cobb's Adventure Park will be visiting our school, bringing along kangaroos and other fascinating animals for an unforgettable experience. Get ready for an adventure! Please remember that the school will be closed on April 3rd and 6th for Easter and Good Friday. Wishing you all a month filled with discovery, learning, and cherished moments! Happy Easter!
