

# JANUARY 2026

## Dear Families

Happy New Year and welcome back! On behalf of the staff, we want to express our deepest gratitude for the incredible gifts we received. Opening them on Christmas Day filled us with joy and made us feel like the luckiest teachers in the world. We hope you all had a fantastic break surrounded by your loved ones. A special shout-out to the families who generously contributed items to the food bank – your kindness has made Christmas brighter for those in need. Thank you for your generosity and thoughtfulness!

## Three Year Old Program

This month, we're embracing the wonders of winter and all the joy it brings! Our activities will include thrilling crafts like crafting ice skates and creating art with ice cubes. We'll even bring the outdoor winter magic inside with some snowy fun in the water table. To match the wintry theme, our colour of the month is **white**, so don't forget to dress your child in **white** on January 8th. Then, on January 22nd, we invite all the little superheroes to come to school dressed as their favourite character for a day of fun and imagination! Additionally, throughout the month, we'll be accepting registrations for the upcoming school year. Grab a registration form from your teacher soon, as spots are filled on a first-come, first-served basis. Let's all embrace the winter spirit together and create lasting memories with exciting activities and events!
