

SEPTEMBER 2026

Dear Families

Welcome to September! It's an exciting time as we begin a new school year. I hope you all had a wonderful summer and are ready for a year filled with fun and learning! Our monthly newsletter will be posted on the website and sent via email. If you haven't received it, please let me know. Please make sure to jot down all our special events and activities as we dive into September together!

Three Year Old Program

This September, we are exploring something super fun: "All About Me!" We want to learn all about each child—what makes them special and unique. We will be doing cool activities to see what their days are like at school and at home. We will chat about the things they love to do, their favourite toys, and the friends they like to play with. Plus, we will talk about being good friends and why kindness and helping each other are so important. We are also making a special family tree with everyone's family photos. So, if you can, send us a picture of your family to add to our tree! Our biggest goal this month is to make sure everyone feels happy and comfortable here. We are excited to go on this journey of learning and growing together with all of the children!

Modified Four Year Old Program

This month, our theme is “All about me!” This theme will help us get to know the children better and allow them to connect with their new friends. We'll explore daily routines at both school and home, discuss the meaning of friendship, and learn how to be a good friend. We kindly request that you send a family photo to school so your child can share about their loved ones. This photo will be cherished as part of our family tree throughout the year. In addition to our theme activities, the children will also be learning about the letters A, B, and C, as well as the number 1. Our main focus for the first month is to ensure that the children settle comfortably into their new environment. We're excited to get to know each child and their amazing families.
